

Irish Postgraduate and Early Career Economics (IPECE) Conference 2027

21st and 22nd of January 2027, University of Limerick

Call for papers

We invite early career economists and PhD students to submit their extended abstracts or research papers for consideration for the Irish Postgraduate and Early Career Economics (IPECE) Conference 2027.

This year's IPECE Conference will be hosted by the Department of Economics in the University of Limerick on **Thursday 21st** and **Friday 22nd January 2027**. The conference will be held in person in the Kemmy Business School building at the University of Limerick. There is no registration fee for the event. Presenters will also be able to apply for an IEA travel grant to help cover their costs of attending when the next IEA travel grant call opens towards the end of this year.

The conference is aimed at PhD students, postdoctoral and early career researchers. The meeting will provide an excellent opportunity to engage with research results and work-in-progress in a welcoming and constructive environment. We encourage those working on economics research, based on the island of Ireland, to attend.

Submissions

Please submit your extended abstracts or full research papers (including JEL codes) as a PDF file by **Friday November 27th** to economics@ul.ie. Please include a short CV along with your submission. Also, please use the following email subject line: **Submission IPECE 2027**

Important dates

- **Submission deadline:** 27th November 2026
- **Decisions, invitations to conference, and registration details:** Mid-December 2026
- **Conference:** 21-22 January 2027

Conference Organisers

Dr. Mauricio Perez Alaniz (Conference Chair)

Prof. Rob Gillanders

Prof. Dónal Palcic
